

# “Buy-a-Tile” for the San Diego Automotive Museum Murals

The Committee of One Hundred has brought back the long-missing murals that originally graced the entrance to the 1935 California State Building in Balboa Park's Palisades area. These temporary murals are the first step in our fund-raising campaign to recreate these four murals in permanent ceramic tiles.

“Buy-a-Tile” now for \$500 each tile.

Smaller donations can be combined to Buy-a-Tile.

Enter information on next page and mail to us.
